We are also interested in raising money to purchase specialized Sound Proofing Materials. How much we raise will determine how much we can buy. Specialized sound panels and ceiling panels are needed. Donations of rugs, corkboards and/or cork materials and bulletin boards are additional, helping reduce sound reverberation and ambient noise.

We have a 40-foot shipping container available through Continental Shipping. Items will be shipped out of IMEC in Amesbury. We may likely share the space with Orlando Vargas and his medical company since this container is very large and we may not fill it up.

DROP OFF LOCATION: 5 Hood Farm Rd, Ipswich *and/or* regularly scheduled club meetings.
